Teacher: Ms. Ana and Ms. Stacie

Date: December 2016

## A Look At Our Month

Theme: Christmas Blessings

Color of the month: green

Shape of the month: triangle

Numbers of the month: 7 & 8

Exposure to letters: Jj & Kk

We will continue to work with scissors this month. The children are cutting 6 inch straight lines, while learning proper hand position. We are also starting to work on zig zag lines and basic shapes.

As always, we will be singing, rhyming and learning through our play!

## Notes

The children enjoy all of the manipulatives that we put out during our fine motor and center times. Puzzles are great for supporting motor planning, and make wonderful Christmas gifts for young children!

## Special Invitation

On Wednesday, December 21st, families are invited to join us in the classroom at 11:30 to hear a few Christmas songs. We will dismiss at 11:45.

Merry Christmas and Happy New Year!
