Secret Valentine Activity

The students will be randomly choosing names and bringing home a large Valentine's Day heart to decorate for their Secret Valentine. We will be exchanging these on 2/14. We will send home an explanation attached to the heart. They are due back to school on 2/10.

Valentine's Day

The children are invited to exchange their own cards on 2/14. Please do not label the envelopes. It makes it easier for them to exchange them. Thank you!
