

September 26, 2016

Dear Families,

We are hoping to take advantage of some beautiful Fall weather, and take a field trip to **Weber's Cider Mill Farm on Friday, October 14th**. To help keep costs down, and because we are such a small group, we will not be reserving a bus for this trip. **On this day, DO NOT come to school. Instead, we will meet at Weber's Farm at 9:30 a.m. Each child must have a chaperone on this day.** We have attached a paper to fill out and return to us by Friday, October 7th. Please indicate whether or not you and your child will be attending, and who the responsible parent/guardian will be that day. The information about the farm, directions and the cost is attached to this letter. Please do not send in any money. You will pay for yourself, your child and your pumpkin at the farm. Weber's Farm does not schedule group tours, so we will have the luxury of taking our time. We expect to be there at least 2 hours as a group, but you are of course welcome to stay longer. We will NOT be returning to school this day, as this is a schoolwide half day.

If the forecast calls for heavy rain that day, we will have a regular school day, and our rain date will be Monday, October 17th. If this is necessary, we will post this information on our Weebly Site, and email everyone the night before the trip. If the rain date is necessary, we will return to school at noon. If your child is a full day student, you will have the option of returning your child to school at noon for our regular afternoon schedule.

We recommend you dress for the farm, as it tends to get muddy if the ground is wet. We will bring water and a snack for each student - and of course our camera! There is a market available for purchasing any other drinks and/or snacks you might want. Our Weebly site can be accessed on the school's homepage or at www.msana-ihm.weebly.com.

It will be a great morning together....start praying for sunshine!

Ms. Ana and Ms. Stacie
