Show & Tell Days

Show & Tell days will be on Fridays, and they will be marked on the Pre-K3 calendar. We try to send home a small paper bag the day before a Show & Tell day. The item should be able to fit in this bag, and be sent to school in this bag. This allows students to recognize their name written on the bag, and to keep their Show & Tell a secret until the big reveal!

Extra Notes

Remember that rhyming is an important precursor to reading. Take time to rhyme this school year!
