

January 9, 2017

Dear Families,

Starting next week we will begin our Star of the Week activity. Every week we will randomly choose a name at the end of the day. That student will be our "Star of the Week" for the following week. During the week, we will highlight fun information about our "Star of the Week." We will send home a request for any information we need, which will include things like a special picture, book or toy that the student wants to show his/her classmates.

Thank you for your help with this special celebration of our students!

Ms. Ana & Ms. Stacie
